

# New to Arrive

On December 31st we will balance and close our books.

We know now, from comparison, that our business for 1911 has exceeded that of any previous year.

That is healthy, and we are progressing with the new Honolulu that is rapidly developing.

Early in January, 1912, we will be opening the new styles and shoe designs recently selected by Mr. W. H. McInerny while in the Eastern shoe centers.

We promise the greatest display of new styles ever shown in the Territory.

Captain Evensen of the Central Fire

Station performed a heroic act last

week, when he saved a lad on Emma

street, where he was almost enveloped

in a blaze, which was accidentally lit

from firecrackers which he had in his pockets.

When Captain Evensen saw the lad

in trouble, he rushed out and, tearing

the clothes off the unfortunate boy,

took him to his house, where lotions

were applied to his blistered body.

Afterwards the lad was sent to the

hospital for further treatment. The

patient is doing well.
